## Preventive measures and precautions against Corona virus (COVID-19)

Not to leave the house except for necessity or for reasons of work or touring personal cars with commitment to face masking and health guidelines.

Maintaining safe distances when mixing with family and taking into account social spacing.

Restaurants are restricted from not receiving customers, and are satisfied with service only for delivery orders and home delivery.

**Close all commercial centers, shopping centers and open markets that include selling fish, vegetables and meat. It is excluded "in the fish, vegetables and meat markets" dealing with supply and wholesale companies.**

**Also excluding food outlets "cooperative societies, groceries, supermarkets" and pharmacies for a period of two weeks subject to review and evaluation.**

**Not to go to hospitals except in critical or necessary cases.**

**"Given that the communicable diseases law applies penalties for violators in this regard, which amounts to imprisonment or a fine."**
