Preventive and precautionary measures upon return to work - Transportation -

Wear masks, gloves, and closed shoes if using public transportation.

Carry an alcohol sterilizer at all times.

Ensure that the transportation means are not crowded and leave enough distance between you and the rest of the passengers.

In case of using the personal car, ensure that the door and the steering wheel are sterilized periodically.

When refueling, Use a credit card or E-payment instead of cash and sterilize it after use.
